

**The 2008 Midwest Fine Food Festival -
Dongara/Denison Community Festival
Saturday 31st May and
Sunday 1st June**

Traditionally incorporated into the Dongara Denison Community Festival, the increasing variety of produce grown, caught and produced in the region has led to organisers creating a separate event to showcase the regions food and wines.

The 2008 Midwest Fine Food Festival will take place over the May/June long weekend (Saturday 31st May and Sunday 1st June). Saturday's entertainment will comprise of cooking demonstrations, market stalls and other activities in the Dongara Town Park, while Sunday will see visitors get a 'taste of the Irwin Region' with a fully catered bus tour visiting some of the regions growers and producers.

Seafood plays a major role in the region with many employed in the industry and it will be featured heavily in cooking demonstrations as part of Saturday's entertainment. 'Larry the Lobster' will also make an appearance to promote locally caught seafood.
